Pune, India

**Subject : Letter of Recognition**

We would like to appreciate and recognize **Educave** on behalf of Wellsecure Oil Tools Private Limited for its exceptional Technical Training Programs (TTP) that are designed and delivered on par with the Industry Standards.

TTPs tailored for beginner level oil field engineers and fresh graduates have potential to provide a pool of well trained and "ready to go" professionals to industry.

Wellsecure is pleased to see Educave offering courses encapsulating the engineering behind designing and application of cementing and Completion tools, which is best suited for a growing organization such as ours.

**Wellsecure Oil Tools Pvt Ltd.** recognizes below TTPs (courses) provided by Educave to be included / accepted as a part of Competency Matrix required for a Trainee Engineers to start their career with us, in case other requirements are fulfilled.

1. Cementing Engineering
2. Drilling Services
3. Completion Services

We welcome Educave and its trainees for our future recruitment processes, and we are pleased to support them to fulfill their aim to generate employment for fresh graduates.

Best Regards,

For **Wellsecure Oil Tools Private Limited**
