Dear Sir,

We would like to take the opportunity to express our sincere appreciation for your time and dedicated effort to the Society of Petroleum Engineers, the University of Trinidad and Tobago's student chapter for conducting a successful two day workshop on '**Logging-While-Drilling**' which was held virtually on July 12th and July 13th. The participants benefitted significantly from this workshop.

We appreciate your contribution in improving the technical knowledge of the participants. Your efforts contributed substantially to the quality of the meeting and the effectiveness of the workshop was enhanced by the professionalism displayed by Educave.

We plan to organize more events of this kind in the future and eagerly await the opportunity to partner together again.

Sincerely,

Dear Sir,

We would like to take the opportunity to extend our heartfelt gratitude to the Educave team for taking out some of their precious time and dedicating it to EAGE RGIPT Student Chapter. We are immensely delighted to successfully conduct the webinar on "**Career opportunities in Drilling Fluids and Cementing**" and this would not have been possible without your constant support and assistance. The webinar was quite fruitful for the attendees. It was riveting and engrossing for all the attendees and their perceptions regarding the vast domain of Petroleum Engineering would have been consolidated.

We are also grateful to the speaker for the event - Mr.Zahid Mohammed, for elaborating things comprehensively and peeling out the arduous topics in a profound way. The webinar took the attendees through the numerous areas of Drilling and Cementing Industry and demystified very concept in a appealing way, which made this session worth attending.

We anticipate to collaborate with Educave again in the future to bring out more intriguing sessions like this.

Sincerely,

Sir / Madam,

It gives me immense pleasure in appreciating M/s. Educave on behalf of the management for jointly conducting a Virtual Training/Internship on Logging While Drilling & Log Interpretation for the students of Dhaanish Ahmed College of Engineering, Chennai in the month of April 2021.

Based on the feedback received from our students and department of petroleum engineering faculties it is explicit that they were benefited by this course. It is observed that this program provided a strong Technical Knowledge for our students. I would like to place on record my profound gratitude and sincere thanks for accepting our invitation and having rendered the most endearing and excellent training with a high sense of professionalism.

With Kind Regards
